

DIVISION 34: HERPETOLOGY

DIVISION 34 RULES

1. Herpetology members are required to maintain their area at all times and keep it free from debris clutter.
2. All food and bedding needed to sustain the animal throughout the fair is the member's responsibility.
3. Animal must be properly contained by a cage or aquarium with a secure lid.
4. A heat source may not be available. You may use the chemical hand warmers if necessary.
5. No live venomous animals will be displayed.
6. No endangered or protected species will be allowed.
7. Animals that require a NJ. State Permit will be obligated to present a copy of permit with animal registration form due May 1st in the 4-H office.
8. Refer to the NJ. State permits and regulation web-site for permitted exotic and nongame species requirements. <http://www.state.nj.us/dep/fgw/pdf/permregs.pdf>
9. Animals may be brought in as day of show entries only.
