Decorate your patio or deck with colorful flowers.

Join us for a hands-on demonstration on how to make your own beautiful flower container. A variety of flowers can be grown on patios, terraces, balconies, or any other outdoor location, so long as they receive adequate light and proper care. Learn everything you need to know at our educational program. *Plant and bring home your own flower garden container.*

Rutgers Cooperative Extension is an equal opportunity program provider and employer. Contact your local Extension Office for information regarding special needs or accommodations. Contact the State Extension Director’s Office if you have concerns related to discrimination, 848-932-3584.
