

Barnegat Bay Shellfish Restoration Program Open House

**Tuesday, April 25, 2017
7:00 - 9:00pm**

NO CHARGE TO ATTEND THE OPEN HOUSE

The open house is an opportunity to learn about the BBSRP. This program, entering its 12th year, is run by RCE of Ocean County and NJDEP Shellfisheries with support from Ocean County and the volunteers of RCTB.

Besides raising clams and oysters, the volunteers educate the public about shellfish, water quality, the Barnegat Bay and its watershed and wise use of resources to help keep the Barnegat Bay a treasured resource for years to come. At the open house, you will learn the process to become a **“Certified Shellfish Gardener”**.

**Rutgers Cooperative Extension of Ocean County
1623 Whitesville Road
Toms River, NJ 08755
<http://ocean.njaes.rutgers.edu/>**

The **Barnegat Bay Shellfish Restoration Program (BBSRP)** is a 7-week Spring course held every Tuesday from 7:00 - 9:00pm following the open house with an additional 5 weeks classroom instruction resuming in the Fall. Volunteer time is expected during the Summer.

BBSRP provides the guidance for the total program and the education program to train volunteers so that they can carry the message to the people of Ocean County and its visitors.
