Overview of the Mid-Atlantic Ocean Data Portal for Marine Planning

**Featured Speakers:**

**Matt Campo**  
Senior Research Specialist  
Edward J. Bloustein School of Planning and Public Policy  
Rutgers University

**Karl Vilacoba**  
Communications Director  
Urban Coast Institute  
Monmouth University

Take a guided tour of the Mid-Atlantic Ocean Data Portal, a publicly available resource containing over 4,000 interactive ocean maps! Learn how to use the portal to inform efforts to discuss and understand offshore wind areas, commercial fishing, vessel traffic concentrations, wildlife habitats, recreation hot spots, Naval training areas, and much more. [https://portal.midatlanticocean.org/](https://portal.midatlanticocean.org/)
