Tales Tags Tell: 54 Years of Fish Tagging with the American Littoral Society

Featured Speaker:
Jeff Dement
Fish Tagging Program Director
American Littoral Society

The American Littoral Society's fish tagging program was started in 1965 and over 640,000 fish have been tagged by volunteers since the program’s inception. Come learn about the past, present, and future of the tagging program, including tagging results and how volunteers can get involved. https://www.littoral society.org/
