Offshore Wind Energy off New Jersey: Where We Are Today

Featured Speaker:
Joseph F. Brodie, Ph.D.
Director of Atmospheric Research
Center for Ocean Observing Leadership
Department of Marine and Coastal Sciences
Rutgers, The State University of New Jersey

This talk will discuss the development of offshore wind energy off New Jersey, how we got here, and what is happening in the industry, while highlighting the importance of balancing the needs of existing stakeholders. Rutgers' ongoing oceanographic and atmospheric research related to offshore wind will be discussed.
