Offshore Wind is Coming to The United States: An Update for New Jersey

Featured Speaker: Kris Ohleth
Senior Manager of Stakeholder Engagement Ørsted

Come learn about Ørsted and their Ocean Wind offshore wind energy project, which will be New Jersey’s first utility-scale offshore wind farm. The 1,100 MW project will be located 15 miles off the coast of Atlantic City, and provide more than half a million New Jersey homes with clean and reliable energy.
