

All the Small Things . . .

with **Big** Environmental Impacts

Join us this spring for our continuing webinar series. This time we will look at those little changes to the environment that can result in large effects and what you can do to help.

April 17

Jean Epiphan, Rutgers University
Beech leaf disease

April 24

Dr. Judith Weis, Rutgers University
Microplastics

May 15

Dr. Donna Fennell, Rutgers University
Bioremediation with bacteria

May 22

Marina Jackson & Samantha Pfeffer, NJDEP
Beach monitoring & Watershed Ambassadors

June 19

TBD
Air pollution

June 26

Bob Schuster, NJDEP
Monitoring coastal waterways

Webinars start at 6:30pm
