Experiment Station  
COOPERATIVE EXTENSION  
OCEAN COUNTY

## Native Plants for Pollinators

Tuesday, June 18, 2024 ~ 1:00pm - 2:00pm

Why are native plants important? How can I help bring insects to my garden?  
Planting native plants entices pollinators to your garden. Join us and learn about pollinators and the native plants they prefer. Attendees will go home with a few native plants for their gardens.

Speaker: Susan Emhardt-Servidio, Senior Horticulturist & Rutgers Master Gardener Coordinator  
Rutgers Cooperative Extension of Ocean County

Non-Refundable program fee - \$10.00/per person

Registration is required!
