4-H is America's largest youth development organization —empowering nearly six million young people with the skills to lead for a lifetime. 4-H is based on a positive youth development (PYD) approach, recognizing that all youth have interests, abilities, and strengths. Research shows that participation in high quality 4-H programs increases thriving in youth, and thriving youth achieve important developmental outcomes.

Ocean County 4-H is a part of the land-grant institution, Rutgers University,
