

# DISEASES OF TREES

Thursday, June 19, 2025

7:00pm – 8:00pm

## IN-PERSON PROGRAM

Have you noticed early leaf drop from your maple or spotting on your oak tree leaves? While some diseases pose serious risks if not identified and managed early, others may have minimal impact on a tree's overall health. Join us to learn how to recognize common diseases affecting ornamental trees, conifers, and shade trees, and explore practical strategies to maintain their health and vitality.

Speaker: Steve Kristoph, Steven Kristoph Nursery

Registration is required!

Non refundable program fee: \$5.00/per person

Click <http://go.rutgers.edu/disease> to pay by credit card.

For other payment options call Teresa at 732-505-3671
