

Dig-In! Gardening Series at Ocean County Park

Plant Propagation 101

Turn one plant into many!

Join our hands-on workshop and learn the art of plant propagation! You will discover simple yet effective techniques including cuttings, plant division, and layering. Whether you are a beginner or a seasoned gardener, this workshop is for you.

Speaker: Vickie Monks
Rutgers Master Gardener Educator

The 'Dig-In series' is being offered by the Native Plant Committee of the Rutgers Master Gardeners of Ocean County
