

Dig-In! Gardening Series at Ocean County Park

Insect Safari

Join us as we discuss the importance of plant and insect relationships. We will scout for insects in the native plant teaching garden and learn about their role in supporting a healthy ecosystem.

Please dress for the weather, as we will be outside in the garden for part of this class.

Speaker: Susan Emhardt-Servidio
Horticulturist

This Dig-In series is being offered by the Native Plant Committee of the Rutgers Master Gardeners of Ocean County
